A to G Four Year Planning Sheet

Write each planned or completed course in its grade. Count a yearlong course as 1 year. Courses must be on your high school's UC approved A to G list.

Subject area	UC requires (CSU)	9th grade	10th grade	11th grade	12th grade	Years
A. History	2 years: 1 world history, cultures or geography and 1 U.S. (CSU: 2 years incl. 1 U.S.)					
B. English	4 years No more than 1 year of ESL type courses					
C. Mathematics	3 years, 4 recommended Must include geometry; 7th and 8th grade can count					
D. Science	2 years, 3 recommended Two of biology, chemistry, physics (CSU: 1 biological, 1 physical)					
E. Language other than English	2 years of the same language, 3 recommended; 7th and 8th grade can count					
F. Visual and performing arts	1 yearlong course in one discipline					
G. Elective	1 year G course or extra A to F					

Totals: 15 yearlong A to G courses | at least 11 finished before senior year (UC) | my count: _____

Grades: UC requires a C or better in each course; CSU accepts a C minus or better. A D or F does not complete a requirement.

GPA: UC and CSU calculate GPA from 10th and 11th grade A to G grades. Estimate yours with our free UC and CSU GPA calculator.

Sources: UC A to G subject requirement (admission.universityofcalifornia.edu) and CSU first year admission requirements (calstate.edu).
